

Allen College Diagnostic Medical Sonography Program Outcomes Measures

The mission of Allen College's Diagnostic Medical Sonography Program is to provide an excellent educational program that prepares individuals for a career in sonography. The information provided below demonstrates the commitment to the mission of the program. Upon satisfactory completion of the DMS Program, graduates are eligible to sit for the national certification exams offered by the American Registry for Diagnostic Medical Sonography (ARDMS).

Allen College's first DMS graduating class was in 2012.
