Financial Aid Counselor

¡Hola! Bonjour! Dobar dan! Guten tag! Hello!

Hi ALL! Corrine Ott, Financial Aid Counselor here at Allen College. Within that title I wear many different hats at the college. One of my favorites is assisting future, newly admitted, current and alumni students with financial aid and billing needs. My experience, as a mom, kicks in as I want each student to know they are important and are cared for during and after their time here. I am extremely blessed when I receive communication from students letting me know how much of a difference I made especially when I didn't know I had.

Working here at Allen has given me an opportunity to work with and expose myself to diverse groups people from different backgrounds and cultures. I believe if we open our minds and hearts to allow communication and learning, we grow and become better humans.

My family and faith are and always has been the focus in my life. I have five children (three added in-law children) and five grand babies that make me smile every day! I love to cook and bake sourdough bread, and I enjoy traveling in and outside of the U.S.
