

Nurse Practitioner Full-time Dyersville, Iowa

Your Best Life. Our One Purpose.

MercyOne is seeking a full-time NP with a high degree of expertise in internal medicine. The Advanced Registered Nurse Practitioner (ARNP) is responsible for providing high quality patient care in the MercyOne Dyersville Medical Center Emergency Department and inpatient hospital setting. The expectation of our providers is to function independently at the highest level of practice. Although this list is not fully inclusive, the general expectations would include assessment, stabilization, diagnosis, treatment, and disposition of ED patients. Hospitalist responsibilities include admission, management of care, consultation with specialists, disposition planning, transfer, and discharge. The population served is all ages - neonatal through geriatric. ED experience is preferred. The position is rotating shifts at 40 hours per week.

About The Unit

The critical access hospital contains 20 swing beds and three emergency department rooms. The swing beds accommodate acute/inpatient, skilled, observation, outpatient, and same-day surgery.

- Average daily census is three
- Average of 150 emergency department visits per month, average surgeries are 175 per year
- Staff consists of approximately 20 RNs and CNAs.
- Staff work closely with the multidisciplinary team, which includes pharmacy, social worker, nutrition, and PT/OT
- Telehealth system of Avel is utilized to help with admitting privileges on the inpatient unit and additional needs/resources for emergency needs.

Highly Competitive Compensation & Benefits - \$10,000 Sign On

- Competitive Compensation Package.
- Paid Time Off (PTO)
- Annual CME allowance
- Health, dental, vision and life insurance
- Short and long-term disability coverage
- Retirement program with employer contribution and employer matching
- Loan repayment opportunities
- Supportive medical staff
