# NURSE PRACTITIONER OPPORTUNITIES JUNE 2024

## Arizona - 252554

Outpatient only practice seeking an Advanced Practitioner. Practice has two offices. This practice strives to provide a higher standard in primary care. They offer quality care to the entire family. All providers are trained in pediatric and adult medicine. Their goal is to make sure patients feel listened to, not rushed, and most importantly, cared for.

## Arizona - 317683

Orthopedic practice seeking an advanced practitioner to join their team. Their small, specialized practice offers a part-time opportunity for someone eager to work three days a week. The compensation is at 60% of a full-time advanced practitioner's salary. You will spend Mondays in the clinic, with two additional days assisting in surgeries, primarily hip and knee replacements. The physician started this practice because he believed it would put him in the best position to serve God and the people He put in his life. This includes providing amazing care to patients while also having excellent work-life balance, so he could have the time and energy needed to intentionally grow his faith, raise his family, and be involved in church.

## Colorado - 170873

Pediatric practice seeking to add a Pediatric Nurse Practitioner. Full-time is 4 days per week. It is a very encouraging, family-like atmosphere. There are two locations. All of the providers and employees are Christians, and they think of themselves as a ministry to their community. In the office they pray for and give Christian counsel to their patients. Each is involved in their own church ministries and they take members of their practice to the Amazon in Brazil regularly for medical mission work.

## Illinois - 107470

Join a growing team of providers as they seek to develop a robust Orthopedic team. APPs are responsible for providing medical care as delegated by the physicians. Responsibilities will include running independent clinics, assisting a physician in both the office and hospital setting.

## Illinois - 131918

Wonderful opportunity to join faith-based FQHC with 3 clinics that serve as a one-stop shop access to the best medical, dental and behavioral health services in the area. plan for the medical clinic. Mission is to provide excellent healthcare to community that communicates in word and deed the love and Gospel of Jesus Christ.

## Massachusetts - 178531

A single specialty, outpatient only group. They are currently seeking an Advanced Practitioner, preferably someone with experience. Weekend and weekday call is telephone only. Each clinician is on call one night per week and every 4th weekend. Inpatient care is performed by hospitalists. Mission Statement: To provide comprehensive health care for the entire family that honors the Lord Jesus Christ.

## New York - 258633

Well-established, independent, outpatient only group is seeking an experienced Advanced Practitioner. Become part of a team who values quality of life, both personally and professionally. Offering the following: 4 day work week, averaging 3 patients an hour, established practice and patient base, Great work atmosphere and facility and Medent EMR- rated #1 in the nation. They are committed to following Christ as Lord, with medicine as an opportunity to serve the world and bring glory to Christ.

## New York - 201531

Independent outpatient primary care in Western New York seeking an advanced practitioner. No call for APP. Average number of patients: 16-20 per day. They are committed to providing quality medical care while cultivating strong families and church ties as well as taking active roles in schools and the community. Since 1987, the group has rotated time off for volunteer short-term missions. Practitioners may take sabbatical time each year. In daily practice, the providers speak openly with patients about spiritual matters and pray with patients. As a Christian practice, they are committed to principles of honesty and integrity in all their business dealings.

# NURSE PRACTITIONER OPPORTUNITIES JUNE 2024

## North Carolina – 336808

An independent, Direct Primary Care practice seeking an Advanced Practitioner. This would begin as a part-time position, which if the practitioner desires, could grow to full-time once their panel is full. Currently one internal medicine physician. This is a Christian practice and care is delivered in accord with Catholic healthcare ethics.

## Ohio – 216131

An independent, well-established, inpatient/outpatient OB/GYN group is seeking an advanced practitioner. They view their practice as a ministry. They feel they deliver quality medical care and incorporate their faith into their practice.

## Ohio - 335228

Non-profit community health center providing high quality primary health care services to children and adults throughout the tri-state area. With a faith-based mission, they provide care that treats the whole person-body, mind, and spirit – regardless of the ability to pay. Their mission is to first show the love of Jesus to all they come in contact with and to do that by providing the best medical care.

## Pennsylvania - 190754

This Federally Qualified Health Center health center is committed to providing access to affordable, high-quality bilingual health care and wellness services, as they pursue health together with their patients and their community. Center provides effective spiritual intervention with patients, sharing hope and salvation through Christ, sharing helpful Biblical instruction and scriptures and prayer.

## South Carolina - 149601

A non-profit community health center seeking an advanced practitioner. They are a multi-site organization with services in family medicine, pediatrics, migrant health, and pharmacy. The offices are typical FP settings, with fairly standard operating hours. Most providers integrate their faith in their everyday practice by relationship, testimony, prayer and care to their patients.

## Tennessee – 314614

A Single specialty, inpatient/outpatient group is seeking an Advanced Practitioner. Currently the staff consists of 1 physician and two advanced practitioners. The call schedule is 1:2-4 for both weekdays and weekends. This practice is a collaboration of Christian healthcare providers and supporting staff that are committed to providing competent, compassionate healthcare to all women.

## Texas – 345351

Seeking an Advanced Practitioner who has experience in pediatrics to serve in a FQHC clinic. This involves delivery of family oriented medical care services appropriate for a comprehensive, rural healthcare delivery system with a multicultural, multilingual patient population. Dedicated to caring for the community by providing excellent healthcare services regardless of ability to pay.

## Virginia - 236020

Walk in clinic seeking an advanced practitioner. This would be 4 – 10 hour shifts and typically cover 2 weekends per month. Provide compassionate and quality clinical care for patients for the diagnosis, treatment and prevention of disease. The members of the group are mightily involved with services relating to their faith, teaching, cultural activities, and social ministries with some also involved in medical mission work.

## Wisconsin - 237807

An independent, progressive, single specialty group in southwestern Wisconsin is seeking a Physician Assistant. Their mission is to help you improve your physical, emotional, relational, and spiritual health. Their values are: -Our partners, staff and families. We will manage our practice in a way that allows us to pursue healthier lives. We will take time for family, faith, fitness and fun as we seek to live a balanced life. -Our patients. We will pursue excellence in our medical practice. -Our communities.
