

Snowman Decorating

Participate as a cohort in decorating snowmen to win a cohort prize.

Celebrate the start of winter by participating in a snowman building contest with your cohort. You will have a snowman cutout in Winter Atrium to decorate. You can decorate it using only recycled materials.

Pictures will be posted on social media for voting. The snowman with the most votes will win, and that cohort will receive a special luncheon for finals week!

Decorating on
December 2 – 5, 2024
Winter Hall Atrium

Voting on December 6, 2024

This event is sponsored by the Allen College Student Ambassadors Green Committee.
